Dear Friends and Supporters:

2016 was a momentous year for the Carrie Tingley Hospital Foundation. In July, the Foundation’s $1.6 million dollar, 10 year pledge to support the programs of the Carrie Tingley Hospital Inpatient unit was completed. A decade after opening, the unit has served thousands of New Mexico’s children with disabilities. The unit maintains state-of-art technology including an adaptive technology lab, funded by the Foundation, that helps patients return home ready to continue their lives.

In this same month, Camp Inspiration was launched in Farmington, New Mexico. Camp Inspiration provides opportunities for children with disabilities to try an array of Adaptive Sports including hand-cycling, rock climbing and wheelchair basketball. This is the first such camp of its kind provided outside of central New Mexico.

The Foundation’s 2016 through 2018 Strategic Plan is aggressive and includes a statewide Adaptive Sports Initiative that will require new funding and new partnerships to serve children across New Mexico. In these efforts, we will be asking for your continued support as we more fully realize our mission of supporting children in our state with disabilities.

Again, thank you for your support. Together, we will continue to provide programs and services that help children with disabilities reach the stars.

Barbara Lewis
Board President 2017

Jeff Hoehn
Executive Director

To enhance the lives of Carrie Tingley Hospital patients and special needs children and their families throughout New Mexico.
The Carrie Tingley Hospital Foundation is built on values. These values influence every aspect of our organization from programs to governance.

HOPE
*Helping children and their families toward positive outcomes*

We develop and provide programs that enhance the quality of life for children with special needs through a delivery system that is simple, efficient, proactive and well-publicized. We celebrate and share our stories statewide to give hope to others in need.

INTEGRITY
*Operating with honesty and transparency in all aspects of the organization*

The Foundation strives to do the right thing – even when no one is looking. We follow through on commitments and keep promises. We are good stewards of resources entrusted to the Foundation and use our donors’ money only in a manner consistent with our mission.

SUPPORTIVENESS
*Providing programs that allow children to be socially engaged and live with dignity*

The Foundation recognizes the need for services statewide and will engage and serve clients wherever needed. We provide referrals and access to resources, and we fill the gap between families’ resources and financial needs. We will foster continued, open and purposeful collaboration with Carrie Tingley Hospital.

QUALITY
*Focusing on exceptional results and accountability to our children, family and supporters*

We solicit and welcome stakeholder feedback with the goal of providing outstanding programmatic assistance to address medical, developmental and quality of life needs of the children and families we serve. We actively engage in continuous program improvement to help maintain exceptional results.

PASSION
*Compelling enthusiasm for our mission*

The Foundation faces obstacles with optimism and determination. We interact with a positive attitude and energy and have fun while still working hard. At the Foundation, it’s all about the kids.

*We invite you to join with us in advancing these values and serving children throughout NM with disabilities.*
PARTNERSHIP WITH THE UNM CARRIE TINGLEY HOSPITAL

The Carrie Tingley Hospital Foundation funds equipment, programs and research studies that help Carrie Tingley Hospital provide the highest level of care to patients. In 2006, the Carrie Tingley Hospital Foundation pledged $1.6 million over a 10 year period to support the UNM Carrie Tingley Hospital Wing of the Barbara and Bill Richardson Pavilion at UNM Children’s Hospital. Thanks to the generous support of community, this pledge was completed in 2016!

PATIENT AND FAMILY ASSISTANCE

The Carrie Tingley Hospital Foundation assists patients and their families with:

- Wheelchair Ramps
- Vehicle Modifications
- Home Modifications
- Durable Medical or Therapeutic Equipment not covered by insurance
- Emergency Rent and Utility Assistance

Families can apply for assistance by contacting a social worker at Carrie Tingley Hospital or contacting the Foundation’s Family Liaison. Assistance is awarded based on need.

QUALITY OF LIFE PROGRAMS

The Carrie Tingley Hospital Foundation sponsors adaptive recreational programs for children with special needs that include:

- Adaptive Cycling
- Inclusive Dance
- Therapeutic Horsemanship
- Wheelchair Basketball
- Adaptive Sports Camp

The Foundation provides scholarships based on financial need; no child is turned away.

a source of HOPE
“The Carrie Tingley Hospital Foundation’s programs have supported our family in so many ways...from getting a bath stander to being part of summer camp. Our family is so thankful.”
